Geniposide suppresses growth, migration and invasion of MKN45 cells by down-regulation of lncRNA HULC

Ji Ma, Yong Ding

PII: S0014-4800(18)30307-1
DOI: doi:[10.1016/j.yexmp.2018.08.011](https://doi.org/10.1016/j.yexmp.2018.08.011)
Reference: YEXMP 4171
To appear in: *Experimental and Molecular Pathology*
Received date: 26 July 2018
Revised date: 23 August 2018
Accepted date: 30 August 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Geniposide suppresses growth, migration and invasion of MKN45 cells by
down-regulation of lncRNA HULC**

Running title: Role of GEN in MKN45 cells
