Brief biography of authors:

Thanasis Daradoumis holds a PhD in Computer Science from the Polytechnic University of Catalonia. He combines his role as Associate Professor at the University of the Aegean, Department of Cultural Technology and Communication with his collaboration at the Open University of Catalonia within the Department of Computer Science, Multimedia and Telecommunications. He is also researcher at the Internet Interdisciplinary Institute (IN3) as well as at the eLearn Center (eLC). His research interests are: Emotional Intelligence, Alternative (Holistic) Education, Learning Analytics, E-learning, Collaborative, Affective and Adaptive Systems, CSCL. He has been advisor of over 20 MSc theses and 7 PhD already completed. He has published over 110 Scopus-indexed papers, from which over 20 are articles in ISI-JCR journals. He is a member of the editorial board of several international conferences and journals, whereas he has coordinated or participated in various National and European R&D projects.

Joan Manuel Marquès holds a PhD in Computer Science from the Universitat Politècnica de Catalunya. He is an Associate Professor at Computer Sciences, Multimedia & Telecommunication Studies at Universitat Oberta de Catalunya a (UOC) since 1997. His research interests include the design of scalable and cooperative Internet services and applications, privacy and e-learning.

Marta Arguedas has been a Lecturer at the program of Technical Engineering in Computer Systems of La Almunia Polytechnic University School ascribed to the University of Zaragoza, Spain, involved in the areas of Computer Architecture and Technology as well as of Computer Languages and Systems until September 2012. She holds a PhD in Education and ICT (eLearning) from the Open University of Catalonia, a Bachelor degree in Technical Engineering in Computer Systems from La Almunia Polytechnic University School and two Masters, a Master in Education and ICT (e-learning) and a Master in Multimedia Applications, from the Open University of Catalonia, Spain. Currently, her research interests are: Emotional Intelligence, Learning Analytics, E-learning, Collaborative, Affective and Adaptive Systems, Interaction Analysis, CSCL, CSCW, Knowledge Management.

Laura Calvet holds a PhD in Network and Information Technologies from the Open University of Catalonia (UOC). She has been a lecturer at the Autonomous University of Barcelona, the University of Barcelona, the International University of Valencia, and the Euncet Business School, involved in the areas of Statistics, Mathematics, Industrial Economics, and Econometrics. From September 2017, she works as lecturer in the Department of Computer Science, Multimedia and Telecommunication (EIMT) at the UOC. Her research is related to Applied Statistics, Metaheuristics, Simulation, and e-Learning.
