Accepted Manuscript

Title: Early biofouling detection using fluorescence-based extracellular enzyme activity

Authors: Babar K. Khan, Luca Fortunato, TorOve Leiknes

PII: S0141-0229(18)30189-3

DOI: https://doi.org/10.1016/j.enzmictec.2018.10.001

Reference: EMT 9266

To appear in: Enzyme and Microbial Technology

Received date: 3-10-2017 Revised date: 30-9-2018 Accepted date: 3-10-2018

Please cite this article as: Khan BK, Fortunato L, Leiknes T, Early biofouling detection using fluorescence-based extracellular enzyme activity, *Enzyme and Microbial Technology* (2018), https://doi.org/10.1016/j.enzmictec.2018.10.001

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
