This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

To

Professor L-S. Fan

Editor-in-Chief

Powder Technology

Respected Sir,

The compliances of reviewer's comments are enclosed for your kind perusal and necessary action at your end.

Thanking you

With highest regards

D. D. Ganji.
