Accepted Manuscript

C. elegans Development and Activity Test detects mammalian developmental neurotoxins

Piper Reid Hunt, Nicholas Olejnik, Keenan D. Bailey, Cory A. Vaught, Robert L. Sprando

PII: S0278-6915(18)30705-1

DOI: 10.1016/j.fct.2018.09.061

Reference: FCT 10087

To appear in: Food and Chemical Toxicology

Received Date: 16 June 2018

Revised Date: 29 August 2018

Accepted Date: 24 September 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

C. elegans Development and Activity Test Detects Mammalian Developmental Neurotoxins
