

Message from the Guest Editors

We have the pleasure and honor to edit this special issue of Procedia Social and Behavioral Sciences, containing the selected papers presented to PSIWORLD 2014 International Conference, held on October 24 – 26 2014, at the Bucharest University, Faculty of Psychology and Education Sciences, Bucharest, Romania. The 5th edition of the International Conference Psychology and the realities of the contemporary world – PSIWORLD 2014 added more value in the scientific world of psychology and tried to make more powerful the relation between theory and practice. The event was organized by the Romanian Society of Applied Experimental Psychology together with the University of Bucharest, Faculty of Psychology and Education Sciences. This edition was an anniversary one: the Bucharest University celebrated 150 years from its funding and the PSIWORLD event reached its 5th edition.

We welcome the variety of articles submitted to this edition of our conference. Papers from different areas of psychology were received and published: clinical psychology, educational psychology, work, traffic and transportation psychology, experimental applied psychology, cognitive psychology, military psychology, special psycho-pedagogy, education, philosophy of mind.

We have special thanks to all the reviewers (who worked hard in order to assure the conference scientific quality), to the members of the international Scientific Committee, to the members of the Organizing Committee, and to the technical team. We would like to thank to all those who contributed to in every way to make the conference an event.
