Accepted Manuscript

Regular paper

To appear in:

Fully-Differential Current-Mode Higher Order Filters Using All Grounded Passive Elements

Alok Kumar Singh, Pragati Kumar, Raj Senani

PII:	\$1434-8411(18)31546-2
DOI:	https://doi.org/10.1016/j.aeue.2018.10.009
Reference:	AEUE 52536

International Journal of Electronics and Communications

Received Date:12 June 2018Revised Date:21 August 2018Accepted Date:6 October 2018

Please cite this article as: A. Kumar Singh, P. Kumar, R. Senani, Fully-Differential Current-Mode Higher Order Filters Using All Grounded Passive Elements, *International Journal of Electronics and Communications* (2018), doi: https://doi.org/10.1016/j.aeue.2018.10.009

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

ACCEPTED MANUSCRIPT

Fully-Differential Current-Mode Higher Order Filters Using All Grounded **Passive Elements**
