Study on thermal and mechanical properties of yttrium tungstate-aluminium nitride reinforced aluminium matrix hybrid composites

Jamuna Sethi, Siddhartha Das, Karabi Das

PII: S0925-8388(18)33681-8

DOI: [10.1016/j.jallcom.2018.10.017](https://doi.org/10.1016/j.jallcom.2018.10.017)

Reference: JALCOM 47835

To appear in: *Journal of Alloys and Compounds*

Received Date: 21 July 2018

Revised Date: 30 September 2018

Accepted Date: 3 October 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Study on thermal and mechanical properties of yttrium tungstate-aluminium nitride reinforced aluminium matrix hybrid composites
