

## Journal Pre-proof

A new approach to formulate fuzzy regression models

Liang-Hsuan Chen, Sheng-Hsing Nien

PII: S1568-4946(19)30696-9  
DOI: <https://doi.org/10.1016/j.asoc.2019.105915>  
Reference: ASOC 105915

To appear in: *Applied Soft Computing Journal*

Received date: 13 March 2019  
Revised date: 30 October 2019  
Accepted date: 1 November 2019

Please cite this article as: L.-H. Chen and S.-H. Nien, A new approach to formulate fuzzy regression models, *Applied Soft Computing Journal* (2019), doi: <https://doi.org/10.1016/j.asoc.2019.105915>.

This is a PDF file of an article that has undergone enhancements after acceptance, such as the addition of a cover page and metadata, and formatting for readability, but it is not yet the definitive version of record. This version will undergo additional copyediting, typesetting and review before it is published in its final form, but we are providing this version to give early visibility of the article. Please note that, during the production process, errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
