

“WINDPOWER 2014 was just the shot-in-the-arm that companies needed...” **Tom Kiernan, CEO, AWEA**

Brighter days ahead

Feature article

A large, full-page photograph of a sunset over a landscape. The sun is a bright, glowing orb on the right side of the horizon, casting a warm, golden light across the sky and the land. The sky is filled with soft, wispy clouds. In the foreground, there is a field of tall grasses. In the distance, there are rolling hills and mountains, with several wind turbines visible on the horizon. The overall mood is serene and hopeful.

Coming off a down year marked by stalled wind projects further aggravated by policy uncertainty, the industry used WINDPOWER 2014 as a rally cry for what is already shaping up to be a dramatic rebound so far this year.
