This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Pathological and Molecular Evaluation of Pancreatic Neoplasms

Arvind Rishi MBBS MD¹, Michael Goggins, MD^{1,2}, Laura D. Wood, MD, PhD^{1,2}, and Ralph H. Hruban, MD^{1,2}

From the Departments of Pathology¹, and Oncology², The Sol Goldman Pancreatic Cancer Research Center, Johns Hopkins University School of Medicine, Baltimore, MD,
