Directions for effectiveness research to improve health services for late-life depression in the United States

Theresa J. Hoeft, PhD, Ladson Hinton, MD, Jessica Liu, BS, Jürgen Unützer, MD, MA, MPH

PII: S1064-7481(15)00207-9

DOI: [10.1016/j.jagp.2015.07.003](https://doi.org/10.1016/j.jagp.2015.07.003)

Reference: AMGP 512

To appear in: *The American Journal of Geriatric Psychiatry*

Received Date: 15 September 2014

Revised Date: 20 June 2015

Accepted Date: 7 July 2015

Please cite this article as: T.J. Hoeft, L. Hinton, J. Liu, J. Unützer, Directions for effectiveness research to improve health services for late-life depression in the United States, *The American Journal of Geriatric Psychiatry* (2015), doi: 10.1016/j.jagp.2015.07.003.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

WORD COUNT: 194 (abstract); 5165 (excluding abstract)

TITLE: Directions for effectiveness research to improve health services for late-life depression in the United States

SHORT TITLE: Late-life depression intervention research directions

AUTHORS: Theresa J. Hoeft PhD¹, Ladson Hinton MD², Jessica Liu BS², Jürgen Unützer MD, MA, MPH¹

AFFILIATIONS:

1 – Department of Psychiatry and Behavioral Sciences, University of Washington, Seattle

2 - Department of Psychiatry and Behavioral Sciences, University of California, Davis

CORRESPONDING AUTHOR:

Theresa J. Hoeft PhD; Department of Psychiatry and Behavioral Sciences, University of Washington;
Box 356560; Seattle, WA; 98195-6560

Fax – 206-221-7184 Telephone – 206-543-2167 email – thoeft@uw.edu

ARTICLE TYPE: Special Article

ACKNOWLEDGMENTS: We would like to thank Drs. Dan Blazer II, Martha Bruce, Joseph Gallo, and Charles Reynolds III for their time and insights on the most promising and pressing research directions. We would also like to acknowledge administrative support from Edward Elizarraras.

CONFLICTS OF INTEREST AND SOURCE OF FUNDING: The authors declare no conflicts of interest and acknowledge funding support from the Archstone Foundation (L. Hinton) and National Institute of Mental Health (NIMH) T-32 program - MH073553 (T. Hoeft).

PRESENTATION: Results from this review were presented by the first author at the American Association for Geriatric Psychiatry 2014 Annual Meeting in Orlando, FL.

KEYWORDS: late-life depression; research directions; health services development
