

To place a notice:

Associate Registry listings are offered as add-ons to online postings in the AAE Career Center. Visit careercenter.aae.org for more information and rates. Because there is a two-month lead time for the *Journal of Endodontics* print issue, listings must be submitted on or before the 10th of each month to

appear in the issue two months later (e.g., a submission received on March 10 will appear in the May issue). If the ad is submitted after the 10th of the month, it will appear in the *JOE* three months later (e.g., a submission received on March 11 will appear in the June issue).

Notices must fit into one of the following categories: endodontic practice, multispecialty group practice,

associate to partner or practice for sale. Each notice must advertise a specific position, practice or opportunity.

For questions, contact Brenda Stewart, AAE professional affairs coordinator, by phone at 800-872-3636 or 312-266-7255, ext. 3049, or by email at bstewart@aae.org.

Endodontic Practice

California—An established practice located in many cities throughout the greater Los Angeles area. Our offices are equipped with state-of-the-art dental equipment and software. We are seeking endodontic associates who are highly motivated and have great clinical and patient communication skills. Full-time or part-time. Please email CV to alvin_joo@hotmail.com.

California, Los Angeles—Modern, well-established endodontic practice with great referral base is seeking experienced, motivated, friendly and proficient associate leading to partnership. Please email CV to andosfv2@gmail.com.

California, Los Angeles—Well-established, busy endodontic private practice is seeking an associate. Candidates with practice experience 2-3 years preferred. Please email your resume to rosegar03@aol.com.

California, San Francisco—High-quality, successful endodontic practice in the San Francisco/North Bay area seeking a part-time associate for three days a week, with potential to grow into a partnership if interested. Associate should be highly motivated, compassionate, personable and passionate about providing high-quality work in line with best current evidence in the field. Board certified preferred. Please email resume with references to bwm.dds@gmail.com.

Colorado—Our well-established, successful and highly respected endodontic group practice in the Denver metropolitan area is looking for an enthusiastic and highly motivated associate to join us. A team player along with quality patient care is a must! This is an excellent opportunity for a full-time associate leading to partnership. Our state-of-the-art facilities include Zeiss microscopes, Morita 3-D Imaging, ASI delivery systems and TDO paperless practice management. Candidates, please email your CV to CareerCenter@aae.org.

Connecticut, New London—Well-established, highly respected, state-of-the-art endodontic practice with two locations offering part-time or full-time associate opportunity on the beautiful coast of Connecticut. An hour and a half from Boston and two hours from New York. Looking for a personable, quality-oriented and motivated person to provide excellent care to our patients. Full-time position can lead to partnership. Office features excellent staff, microscopes in every operator, digital radiography and paperless charts. Applicant should be energetic, comfortable in surgical and nonsurgical endodontics, and willing to contribute to the growth of the practice. Requirements: Applicant is required to have D.M.D. or D.D.S. degree and Certificate in Endodontics. Must be comfortable providing surgical and nonsurgical endodontic care. If interested, please email cover

letter and CV to proendo1707@gmail.com.

Florida, Jacksonville—Great Expressions Dental Centers has a current opening for an endodontist (2-4 days/week) to work in our Jacksonville practices located in Riverside and San Pablo. Our specialists have the clinical freedom and autonomy enjoyed in a traditional private practice without the additional financial or administrative burdens associated with practice management. When considering a career with GEDC, specialists can expect unlimited production-based earnings with a competitive base, benefits, malpractice coverage, a stable patient base, long-term practice or regional career growth and a local referring network of 20 practices. Relocation or sign-on bonus possible as well! We do it all for you. You became a dentist to help people. It's your profession and your passion. But the demands of owning and managing an office are not only financially taxing but time consuming. Which is why Great Expressions Dental Centers is built on a provider-first philosophy. The Highest Standards: Our National Doctor Panel has set standards for clinical excellence, including clinical protocols, sterilization, materials, standards of care, quality assurance, charts and charting, consent forms and many other items that have allowed us to become the gold standard in the industry. Focus Solely on a Steady Flow of Patients: With GEDC, you don't need to worry about overseeing the business aspects of the office, such as malpractice insurance, employee insurance, payroll, marketing/advertising and the litany of other concerns that go along with owning your practice. Instead, focus on being the clinical leader within your office. Work/Life Balance: We believe in the importance of a work/life balance. So we make every effort to ensure you have time for family, friends and vacations (you know, that thing called a "personal life"). Requirements: Must have a D.D.S./D.M.D. from an accredited University and active State Dental Board license, Endodontist Dental License and certification. Please view our Doctor Career Path and apply at www.greatexpressions.com or contact Molly McVay, Clinical Recruiter, at 248-430-5555, ext. 72467. "Look for the Smile Above Our Name!"

Florida, Page Field—Great Expressions Dental Centers has a current opening for a part-time endodontist in our Page Field practice (located at 5100 S. Cleveland Avenue, Units 315 & 316). Our dentists have the clinical freedom and autonomy enjoyed in a traditional private practice without the additional financial or administrative burdens associated with practice management. When considering a career with GEDC, specialists can expect unlimited production-based earnings with a competitive base, benefits, malpractice coverage, a stable patient base, long-term practice or regional career growth and a local referring network of 20

practices. Relocation or sign-on bonus possible as well! We do it all for you. You became a dentist to help people. It's your profession and your passion. Convenient to D.C. and Baltimore. Immediate position available or 2016 graduates invited to apply. Please email resume to drfein1@verizon.net.

Maryland, Owings Mills—We are looking for a part-time endodontist to work in our steadily growing practice. Our practice is a large, one-location specialty practice that has served the Baltimore metropolitan community for many years. Our highly skilled endodontic specialists have provided their state-of-the-art services with the use of cutting-edge technology, including the microscope, CBCT scanner and digital radiography. There is a steady referral of patients from many surrounding practices within the community. Requirements: Licensed Endodontist. If interested, please email letter of interest and CV to CareerCenter@aae.org.

Mississippi, Greater Jackson area—Established, growing and patient-oriented endodontic practice is seeking a highly motivated associate with outstanding patient and clinical experience for a full-time position. We have an incredible working environment with the latest technology and well-trained team. Our office is a state-of-the-art facility with a cone beam CT and Zeiss Pro Ergo microscopes, and is completely digital. We have two locations in the greater Jackson area. Both locations have a small-town feel with all the benefits of a larger city. This area is centrally located and you are always a short drive away from the nearby large cities. You can visit Memphis for blues and barbeque or New Orleans for jazz and Cajun cuisine; both are a quick 2.5-3 hours from the city. Atlanta and Dallas with their nationally recognized museums are only six hours away. The coastal cities of Orange Beach and Destin are a four-hour drive, which is perfect for a relaxing weekend on the Emerald Coast. Requirements: D.D.S./D.M.D., Certificate in Endodontics, State Dental License or eligibility is required. If interested, please email letter of interest

and CV to CareerCenter@aae.org.
