UCSF Benioff Children's Hospital

CHIEF OF PEDIATRIC EMERGENCY MEDICINE University of California, San Francisco

The Department of Emergency Medicine at the University of California, San Francisco (UCSF), School of Medicine, seeks an outstanding leader in Pediatric Emergency Medicine (PEM) to serve as Chief of the Division of Pediatric Emergency Medicine and Vice Chair of the Department of Emergency Medicine, with a joint appointment in the Department of Pediatrics. The Chief will direct the vision and manage the growth of pediatric emergency care at UCSF Benioff Children's Hospital San Francisco and Zuckerberg San Francisco General Hospital (SFGH). In addition, the Chief will further expand our educational and research collaborations with our colleagues at UCSF Benioff Children's Hospital Oakland. The Chief will mentor the UCSF PEM faculty and be a pioneering leader as PEM expands at these premier institutions. The Chief will be responsible for the Division's budget, faculty recruitment and evaluation.

The UCSF Department of Emergency Medicine provides comprehensive emergency services to a large local and referral population with approximately 115,000 visits a year at UCSF Medical Center and SFGH. The new UCSF Benioff Children's Hospital San Francisco emergency department opened in February 2015. SFGH, a level-1 adult and pediatric trauma center, paramedic base station and training center, is opening a new hospital in 2016, with a 60-bed emergency department, including a new 8-bed pediatric ED. The Department of Emergency Medicine has a fully-accredited 4-year Emergency Medicine Residency Program with 50 residents and directs several fellowship programs. The Pediatric Residency Program has 87 residents and 15 fellowships. The Chief will have the opportunity to work with outstanding emergency medicine and pediatric residents at all sites. Research is a major priority, with over 50 ongoing studies and 100 peer-reviewed publications in the Department of Emergency Medicine last year. There are opportunities for leadership and growth within the Department and UCSF School of Medicine.

Applicants for this position must have a minimum of 5 years leadership experience in an academic emergency department and must be Board Certified in Pediatric Emergency Medicine.

The University of California, San Francisco, is one of the nation's top five medical schools and demonstrates excellence in basic science and clinical research, global health sciences, policy, advocacy, and medical education scholarship. The San Francisco Bay Area is well-known for its great food, mild climate, beautiful scenery, vibrant cultural environment, and its outdoor recreational activities.

Please apply online via AP Recruit at

UCSF seeks candidates whose experience, teaching, research, or community service has prepared them to contribute to our commitment to diversity and excellence. UCSF is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age or protected veteran status. For additional information, please visit our website at <http://emergency.ucsf.edu>

Stanford
MEDICINE

Emergency Medicine

The Department of Emergency Medicine at Stanford University seeks a Board Certified Clinician/Researcher to join the Department as an Assistant or Associate Professor in the Medical Center Line.

The major criteria for appointment for faculty in the Medical Center Line shall be excellence in the overall mix of clinical care, teaching and scholarly activity that advances clinical medicine. Faculty rank will be determined by the qualifications and experience of the successful candidate.

The successful applicant should have board certification in emergency medicine with experience in clinical research. We are particularly interested in candidates who have experience in securing funding.

In addition to providing excellent clinical care, and teaching house staff and medical students, this new physician researcher will lead by example by writing grants and conducting research pursuant to his or her expertise. As such this person will also be expected to be a resource as a mentor for junior faculty, residents and medical students in the area of clinical research.

Applications will be reviewed beginning January 1, 2016 and accepted until the position is filled.

Stanford University is an equal opportunity employer and is committed to increasing the diversity of its faculty. It welcomes nominations of and applications from women, members of minority groups, protected veterans and individuals with disabilities, as well as from others who would bring additional dimensions to the university's research, teaching and clinical missions.
