all the 2015  
Research Forum  
Abstracts

The *Research Forum* is ACEP's premier research event.  
It will run concurrently with and in the same location as ACEP15.

The *Research Forum* provides research Directors, residency programs, as well as physician in non-academic settings an opportunity to discuss original research. At the *Research Forum* you can:

- Present and discuss original research at a national gathering of researchers, teachers, and practitioners of emergency medicine
- Meet, confer, and network in a highly supportive environment

The program format is designed to:

- Provide valuable feedback to all presenters through a presentation/discussion format
- Mentor young researchers by providing a supportive learning environment
- Provide all emergency physicians the latest advances on a wide variety of topics

Conference Highlights:

- Oral Presentations followed by a discussion led by a recognized researcher
- All abstracts will be presented electronically grouped by topic and critiqued by a recognized discussant
- Abstract sessions will be followed on both days by a Wine and Cheese Networking Social providing an opportunity to interact with moderators and emergency care researchers
- Prime Time Practice Changes: Highlights of the 2015 Research Forum featuring a panel of experts discussing abstracts that have significant implications for emergency medicine practice or research

The *Research Forum* will run concurrently with the ACEP15. The benefits of this include:

- Free admission to Research Forum when you sign up for 4 days of ACEP15
- Taking one trip to attend both meetings
- Greater exposure to presenters' research
- Access to favorable hotel rates negotiated for the ACEP15
- Admission to the ACEP14 exhibit hall
