FLORIDA: PROGRAM DIRECTOR – The department of Emergency Medicine at Lakeland Regional Medical Center, in collaboration with the University of South Florida Morsani College of Medicine, is establishing a new EM residency program, with an estimated start date of July 2015. The program will be based at Lakeland Regional, which features the busiest ED in FL, with 170,000 visits in 2012. We are currently seeking a Residency Program director, eager to build a program from the ground up. Candidates must be EM residency trained and Board Certified by ABEM. Three years residency teaching experience and previous leadership experience at an EM residency is required. Contact Barbara Lay, 727-507-3608 or Barbara_Lay@EmCare.com.

FLORIDA: PROGRAM DIRECTOR – The department of Emergency Medicine at Osceola Regional Medical Center, in collaboration with the University of Central Florida College of Medicine, is establishing a new allopathic EM residency program, with an estimated start date of July 2015. The program will be based at Osceola Regional, but will also include Nemours Children's Hospital and the brand new Orlando Veterans Hospital. We are currently seeking a Residency Program director, eager to build a program from the ground up. Candidates must be EM residency trained and Board Certified by ABEM (MD only). Three years residency teaching experience and previous leadership experience at an EM residency is required. Contact Sabrina Kanlic, 727-507-2509 or Sabrina.Kanlic@EmCare.com.

Administrative

Yale University School of Medicine Department of Emergency Medicine

MEDICAL DIRECTOR

The Department of Emergency Medicine at Yale University School of Medicine is currently seeking a Medical Director to oversee the clinical operations of our newly opened, state-of-the art ED at the York Street Campus of Yale-New Haven Hospital, an urban, Level I trauma center with approximately 90,000 visits per year. The York Street Campus is the flagship ED of the 3-site YNHH system, and the clinical home for our four-year residency and academic faculty. The Director will join a well-established multidisciplinary leadership group that enjoys an excellent working relationship with our nursing and hospital administrative leadership who have a commitment to continuous quality improvement, providing efficient care and improving patient and staff satisfaction. The leadership team's Performance Improvement initiatives are facilitated by a full time Six Sigma Black Belt coordinator.

Candidates must be Emergency Medicine trained and board-certified. The ideal candidate must demonstrate excellence in clinical, interpersonal and administrative skills, with previous experience in clinical operations and management.

Yale University is a world-class institution providing a wide array of benefits and research opportunities.

**To apply, please forward your CV and cover letter to
Gail D'Onofrio, MD, MS Chair,
via email: jamie.petrone@yale.edu, or mail:
Yale University School of Medicine, Department of Emergency Medicine,
464 Congress Ave, P.O. Box 208062, New Haven, CT 06519-1315.**

Yale University is an affirmative action, equal opportunity employer. Women and members of minority groups are encouraged to apply.

**EMERGENCY
PHYSICIANS/TOXICOLOGISTS
Hartford, CT**

Saint Francis Hospital and Medical Center is seeking **BC/BP Emergency physicians and Toxicologists** to join our rapidly expanding and successful team within our new state-of-the art 70-bed Emergency Department in Hartford, Connecticut.

Your career can thrive in this Level 2 trauma and tertiary referral center while working alongside experienced physicians, surgeons and staff in a very collegial atmosphere to maintain this high-volume practice that receives more than 73,000 visits annually. Satisfy your desire to teach and train the physicians of tomorrow with an opportunity for an academic appointment at the University of Connecticut School of Medicine.

Our physicians enjoy an exceptional practice environment and the best of New England living in Central Connecticut. The Hartford area offers a mix of urban and suburban living, excellent public and private schools, arts, culture, and easy access to all of New England's most sought-after attractions including Boston, New York City, the beaches or mountains.

If you are ready to thrive in your Emergency Medicine or Toxicology career, we can make that happen.
