

Accepted Manuscript

Sex hormones, sex hormone binding globulin and liver fat: which came first, the chicken or the egg?

Samer Gawrieh, MD

PII: S1542-3565(15)00642-4
DOI: [10.1016/j.cgh.2015.04.182](https://doi.org/10.1016/j.cgh.2015.04.182)
Reference: YJCGH 54280

To appear in: *Clinical Gastroenterology and Hepatology*
Accepted Date: 29 April 2015

Please cite this article as: Gawrieh S, Sex hormones, sex hormone binding globulin and liver fat: which came first, the chicken or the egg?, *Clinical Gastroenterology and Hepatology* (2015), doi: 10.1016/j.cgh.2015.04.182.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

All studies published in *Clinical Gastroenterology and Hepatology* are embargoed until 3PM ET of the day they are published as corrected proofs on-line. Studies cannot be publicized as accepted manuscripts or uncorrected proofs.

Sex hormones, sex hormone binding globulin and liver fat: which came first, the chicken or the egg?
