Royal College of Radiologists' Events

- 4 November 2011 Tutors and teachers' conference**
Venue: National Railway Museum, York
Meeting Organiser's: Dr David Richardson & Dr William Ramsden
6 RCR CPD Credits awarded
- 11 November 2011 Challenges in diagnostic neuroimaging**
Venue: The Royal Society of Arts (RSA), London
Meeting Organiser: Dr Tim Jaspan
5 RCR CPD Credits awarded
- 25 November 2011 Benign thoracic disease**
Venue: The Royal Institute of British Architects (RIBA), London
Meeting Organiser: Dr Nick Screatton
5 RCR CPD Credits awarded
- 20 January 2012 Radiology in suspected non-accidental injury**
Venue: The Royal Society, London
Meeting Organiser's: Dr Kieran McHugh & Dr Annie Patterson
5 RCR CPD Credits awarded
- 27 January 2012 Radiounclide radiology scientific meeting**
Venue: The Geological Society, London
Meeting Organiser: Dr Andrew Scarsbrook
5 RCR CPD Credits awarded
- 15 & 16 March 2012 Spring joint meeting RCR/BSSR musculoskeletal sports imaging**
Venue: The Royal Armouries Museum, Leeds
Meeting Organiser's: Dr Philip Robinson & Dr Andrew Grainger
12 RCR CPD Credits awarded (6 per day)
- 29 March 2012 Management for radiologists**
Venue: The Royal Institute of British Architects (RIBA), London
Meeting Organiser's: Professor Clive Kay & Dr Giles Maskell
5 RCR CPD Credits awarded
- 20 April 2012 Head and neck and ent imaging for the non-specialist radiologist**
Venue: The Royal Institute of British Architects (RIBA), London
Meeting Organiser: Dr David Salvage
5 RCR CPD Credits awarded

11 May 2012

Post treatment imaging

Venue: The IET, Austin Court, Birmingham
Meeting Organiser: Dr Steven James
5 RCR CPD Credits awarded

22-24 June 2012

European Society of Thoracic Imaging (ESTI) 2012 Congress

Venue: Church House, Westminster, London
Website: www.ESI2012.org

United Kingdom

NEURORADIOLOGY FOR RESEARCH CERTIFICATE, DIPLOMA OR MSC From September 2008

Venue: Online distance learning.

For those who use Neuroimaging in their research or who use it clinically, this University of Edinburgh programme will help students develop a cutting edge understanding of Neuroimaging use and applications in research as well as its clinical relevance and applications, while obtaining an advanced qualification from a world class university. The programme is offered part-time and online in a flexible modular approach suited to working professionals. It also counts towards Category I CPD credits.

For further information, please visit our website <http://www.neuroimage.ed.ac.uk/elearninfo/default.asp> or email our Programme Coordinator: kaska.hempel@ed.ac.uk

RAPIDOLOGY EVENING LECTURE PROGRAMME 2011

Venue: The Atrium, Royal Free Hampstead NHS Trust, Pond Street, London, NW3 2QG at 5.45 pm.

Rapidology is delighted to offer its sixth year of free Radiology Academic Lectures Programme 2011. This is an ongoing monthly lecture programme looking at current imaging topics. The speakers are all experts in their fields.

"I wanted to thank you for organising these wonderful lectures for free! The lecture on CT colonography was clearly up to date and delivered concisely from an author of the ESGAR consensus statement on CT colonography. I will be taking the thoughts of the ESGAR member back to my own department."

Each meeting is free, but places are limited. If you are interested in attending, please register at www.rapidology.co.uk. You are welcome to attend as many lectures as you wish. Refreshments are provided. RCR category one CPD credit awarded per lecture.

18 January 2011, Prof Andrea Rockall, "Imaging of Benign Gynaecological Diseases"

8 February 2011, Dr Evis Salas, "Clinical applications of 3T Body Imaging"

16 March 2011, Dr Jeremy Gibbs, "The Imaging of Headache"

12 April 2011, Dr Aslam Sohaib, "Staging and Follow up of renal cancer"

17 May 2011, Dr Niall Power, "Trauma CT"

7 June 2011, Dr Ravi Lingham, "MRI applications in the Extracranial Head & Neck"

II

22 September 2011, Prof Anthony Watkinson, "Interventional Oncology"

4 October 2011, Dr Sujit Vaidya, "Emergency head CT for the general radiologist"

1 November 2011, Dr Stephen Pereira, "Pancreatic tumours - the role of EUS"

To Register Please go to: www.rapidology.co.uk

PRACTICAL NUCLEAR CARDIOLOGY

3–4 November 2011

Venue: NHLI Education Centre.

This is a one and a half day Nuclear Cardiology course aimed at Radiographers, Technicians and Nurses who wish to gain further experience of modern nuclear techniques in a clinical setting. The first day will consist of didactic teaching covering basic principles of nuclear cardiology, stress techniques, practical techniques and image processing and there will be an emphasis on presenting individual cases to illustrate these principles.

The following morning will involve practical demonstration in the clinical department and this will provide experience of stress techniques, image acquisition and processing, and 'live' discussion of selected clinical cases.

Contact: Karina Dixon, Events Office, National Heart and Lung Institute, Dovehouse St. London SW3 6LY. Tel: +44 (0)20 7351 8172 Fax: +44 (0)20 7351 8246 Email: academicevents.nhli@imperial.ac.uk; <http://www1.imperial.ac.uk/nhli/aboutus/events/>

THE NINTH YORKSHIRE CHEST IMAGING COURSE

4 November 2011, Friday

Venue: Radiology Academy, Leeds General Infirmary, Leeds LS1 3EX.

A comprehensive 1-day course aimed at developing an understanding of radiological pattern recognition and providing an outline for evaluating chest radiographs. It is aimed at junior doctors and specialist registrars in radiology, general and respiratory medicine and those working in the ICU and A&E. Advanced practitioner radiographers will also find this useful. A significant proportion of the time will be spent in viewing films. The faculty comprises of Consultant Radiologists from Yorkshire, with a special interest in chest radiology.

Course convenor: Dr. RJH Robertson, Consultant Radiologist, Leeds Teaching Hospitals NHS trust.

Faculty includes:

- Dr. Rod Robertson, Consultant Radiologist, Leeds Teaching Hospitals NHS Trust.
- Dr. Michael Darby, Consultant Radiologist, Leeds Teaching Hospitals NHS Trust.
- Dr. Claire Exley, Consultant Radiologist, Mid-Yorkshire Hospitals NHS Trust.
- Dr. Hilary Moss, Consultant Radiologist, Harrogate & District Foundation NHS Trust.
- Dr. Mark Kon, Consultant Radiologist, Bradford Teaching Hospitals NHS Foundation Trust.
- Dr. Dilip Oswal, Consultant Radiologist, Mid-Yorkshire Hospitals NHS Trust.
- Dr. Bobby Bhartiya, Consultant Radiologist, Leeds Teaching Hospitals NHS Trust.

Places are limited to 40 and are allocated strictly on a first come first serve basis.

Course fee: £ 80.

Please email radiologycourses@hotmail.co.uk under the subject: Ninth YCIC info request, for the information pack and application form.

ROYAL COLLEGE OF RADIOLOGISTS BREAST GROUP

2011 ANNUAL SCIENTIFIC MEETING

6–8 November 2011 (Sunday – Tuesday)

Venue: Glasgow Science Centre, Glasgow, UK.

This meeting is designed for all those involved in the diagnosis and treatment of breast disease. The programme will include a series of lectures, case presentations, proffered papers, breast

imaging research network workshop, technical and scientific exhibitions and social events.

Accreditation from the Royal College of Radiologists will be sort for Category I external CPD Credits.

Further details can be obtained from: The Secretariat RCR Breast Group, Hampton Medical Conferences Ltd. 113-119 High Street, Hampton Hill, Middlesex, TW12 1NJ.

Tel: + 44 (0)20 8979 8300; Fax: + 44 (0)20 8979 6700

12TH UK PET CT REPORTING COURSES HANDS ON WORKSHOPS

Friday 11 November 2011 – 9.00 to 17.00

Venue: Postgraduate Centre, Worcestershire Royal Hospital.

Ideal training for Consultants and SpRs in Radiology, Nuclear Medicine & Oncology/Radiotherapy - both those involved in primary reporting and reviewing cases at MDMs.

- Hands on reviewing of over 20 validated new cases with full data sets
- General Oncology & Subspecialty cases (Lung, GI, Haematology, Head & Neck, Breast, Gynaecology)
- Cases to assess treatment response and radiotherapy field planning
- Maximum of 2 delegates per workstation
- State of the art software for case review
- Supervision by experienced UK ARSAC PET CT certificate holders
- Excellent feedback from previous courses
- Cases suitable for portfolio for ARSAC certificate application

6 category 1 CME points awarded from the RCR

Cost: £245 including light refreshments and lunch

Organisers: Dr Bernd Wittkop & Prof Iain Lyburn

Contact: Dawn.Haile@glos.nhs.uk; Tel: 08454 223003;

Fax: 08454 223589

LONDON TRAUMA IMAGING COURSE

11 November 2011

Venue: Central London.

Programme schedule includes the following: Neurotrauma, Spinal trauma, Orthopaedic trauma, Thoracic trauma, Body trauma, vascular trauma above the diaphragm, vascular trauma below the diaphragm, Paediatric Trauma.

Cost: £150

7 CPD Credits from Royal College of Radiologists, UK

Please email radiologyrecipes@gmail.com for registering

7TH ESSENTIAL NEURO MRI COURSE

Saturday 12 November 2011

Venue: Liverpool Medical Institute.

One day intensive course in how to interpret MRI Brain & Spine.

This course is aimed at providing the essential background required for basic interpretation of MRI Brain/Spine for Radiologists & SpRs.

Topics covered will include MR physics, MR anatomy, Approach to reading MRI, Differential diagnoses in Brain/Spine, Artefacts, MR safety and Advanced applications- delivered by experts in the field.

Organiser: Kumar Das (Consultant Neuroradiologist)

Cost: £150 (includes extensive course material with over 500 images, lunch and refreshments) Limited places. *95% of attendees rate it Good/Excellent.*

Credits: 6 Cat 1 CPD

Contact: Kath Tyler. Tel: 07799 723 925 or Email: essentialneuromri@hotmail.co.uk

FOURTH OSWESTRY SPINAL TRAUMA SYMPOSIUM

16–18 November 2011

Venue: The Robert Jones and Agnes Hunt Orthopaedic Hospital.

This three day course of formal lectures and interactive case
