

## Thanks to Reviewers

It has come to the Editor-in-Chief's attention that reviewers who worked for the journal in 2013 were not publicly acknowledged at the end of the year, as they should have been. The Editor wishes to extend his sincerest apology that the following reviewers were not thanked promptly. *Computers & Graphics* owes much of its success to those who dedicate their time to review for the journal, and the Editor wishes to acknowledge their contribution in this issue.
