

2nd International Palaeogeography Conference
October 10–13, 2015
Beijing, China
First Circular

In order to promote the development and innovation of international palaeogeography and related disciplines, and to organize high academic quality papers for the *Journal of Palaeogeography* and thus develop it into an advanced international periodical, the 2nd International Palaeogeography Conference will be held from October 10 to 13, 2015 at the China University of Mining and Technology (Beijing).

1 Name: 2nd International Palaeogeography Conference

2 Time schedule:

October 9, 2015: Registration, a preparation meeting in the evening

October 10, 11 and 13, 2015: Oral presentations, poster presentations

October 12, 2015: Mid-conference field excursion or sightseeing in Beijing

October 14–16, 2015: Post-conference field excursions

3 Venue: China University of Mining and Technology (Beijing), Beijing, China

4 Sponsors

China University of Petroleum (Beijing)

Editorial Committee of *Journal of Palaeogeography*

Lithofacies Palaeogeography Committee of the Chinese Society for Mineralogy, Petrology and Geochemistry

Stratigraphy and Palaeontology Committee of the Geological Society of China

Coalfield Geology Committee of the Geological Society of China

Petroleum Geology Committee of the Chinese Society for Petroleum

China University of Mining and Technology (Beijing)

China University of Mining and Technology

China University of Petroleum (East China)

China University of Geosciences (Beijing)

China University of Geosciences (Wuhan)

Henan Polytechnic University

Yangtze University
Southwest Petroleum University
Northwest University
China National Administration of Coal Geology
Others

5 Host

China University of Mining and Technology (Beijing)
China University of Petroleum (Beijing)

6 Topics

- 1) Palaeogeography and Mineral Resources
- 2) Lithofacies Palaeogeography and Sedimentology
- 3) Biopalaeogeography, Palaeoecology, Palaeoichonology, Microbialites, Reefs
- 4) Palaeoclimatology
- 5) Tectonopalaeogeography and Palaeotectonics
- 6) Palaeoseismology and Seismites
- 7) Physiogeographic Palaeogeography and Human History Palaeogeography
- 8) Academic Discussion

7 Invitation and submission of papers

The conference sincerely invites Earth scientists involved in or with interest in palaeogeography to attend the conference.

The conference requires those who wish to present their manuscripts orally at the conference to submit full text of their manuscripts in English according to the general regulations concerning the submission of manuscripts to the *Journal of Palaeogeography* before May 31, 2015 (The deadline is August 31, 2015). Chinese authors should also submit a Chinese abstract in addition to the full text in English. Currently Abstracts of the Conference (both in English and in Chinese) is in editing and printing process and will be printed before the conference.

Time and order for oral presentations will be listed in the Conference Programme in detail. Please prepare slides in advance according to requirements of the Conference Programme. Oral presentation and slide will be in English.

The manuscripts will be sent for peer-review, and if accepted, will be given publication priority in the *Journal of Palaeogeography*. After being published, the first author will be paid back the registration fee and the post-conference excursion fee.

8 Awards for the best presentations by young scientists/students

The conference will award the best presentations by young scientists/students, taking into the fol-
