

Accepted Manuscript

Title: A Zymogram technique for preliminary screening and characterization of feruloyl esterases

Authors: Sakthi kumaran Palaniswamy, Vijayalakshmi Govindaswamy

PII: S0141-0229(17)30050-9
DOI: <http://dx.doi.org/doi:10.1016/j.enzmictec.2017.03.006>
Reference: EMT 9056

To appear in: *Enzyme and Microbial Technology*

Received date: 22-2-2017
Accepted date: 14-3-2017

Please cite this article as: Palaniswamy Sakthi kumaran, Govindaswamy Vijayalakshmi. A Zymogram technique for preliminary screening and characterization of feruloyl esterases. *Enzyme and Microbial Technology* <http://dx.doi.org/10.1016/j.enzmictec.2017.03.006>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**A Zymogram technique for preliminary screening and characterization of
feruloyl esterases**
