Title: Separation of Anionic Surfactant in Paste Form from its Aqueous Solutions using Foam Fractionation

Authors: Shashank Shekhar Srinet, Ananya Basak, Pallab Ghosh

PII: S2213-3437(17)30059-3
DOI: <http://dx.doi.org/doi:10.1016/j.jece.2017.02.008>
Reference: JECE 1474

To appear in:

Received date: 1-11-2016
Revised date: 20-1-2017
Accepted date: 4-2-2017

Please cite this article as: Shashank Shekhar Srinet, Ananya Basak, Pallab Ghosh, Separation of Anionic Surfactant in Paste Form from its Aqueous Solutions using Foam Fractionation, Journal of Environmental Chemical Engineering <http://dx.doi.org/10.1016/j.jece.2017.02.008>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Separation of Anionic Surfactant in Paste Form from its Aqueous Solutions using Foam Fractionation
