

Accepted Manuscript

A review on approaches for efficient recovery of whey proteins from dairy industry effluents

Sparsh Ganju, Parag R. Gogate

PII: S0260-8774(17)30320-5
DOI: 10.1016/j.jfoodeng.2017.07.021
Reference: JFOE 8963
To appear in: *Journal of Food Engineering*
Received Date: 01 April 2017
Revised Date: 18 July 2017
Accepted Date: 19 July 2017

Please cite this article as: Sparsh Ganju, Parag R. Gogate, A review on approaches for efficient recovery of whey proteins from dairy industry effluents, *Journal of Food Engineering* (2017), doi: 10.1016/j.jfoodeng.2017.07.021

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

1 **A review on approaches for efficient recovery of whey proteins**
2 **from dairy industry effluents**
