

## Accepted Manuscript

Title: Thermal and visual comfort assessment of natural ventilated office buildings in Europe and North America

Authors: V. Costanzo, M. Donn

PII: S0378-7788(17)30368-7  
DOI: <http://dx.doi.org/doi:10.1016/j.enbuild.2017.02.003>  
Reference: ENB 7363

To appear in: *ENB*

Received date: 9-5-2016  
Revised date: 22-10-2016  
Accepted date: 1-2-2017

Please cite this article as: V.Costanzo, M.Donn, Thermal and visual comfort assessment of natural ventilated office buildings in Europe and North America, Energy and Buildings <http://dx.doi.org/10.1016/j.enbuild.2017.02.003>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

# **Thermal and visual comfort assessment of natural ventilated office buildings in Europe and North America**

V. Costanzo<sup>1</sup>, M. Donn<sup>2</sup>
