Reference: JAAC 1780

To appear in: *Journal of the American Academy of Child & Adolescent Psychiatry*

Received Date: 8 March 2017

Revised Date: 6 June 2017

Accepted Date: 26 June 2017

Please cite this article as: Carliner H, Gary D, McLaughlin KA, Keyes KM, Trauma Exposure and Externalizing Disorders in Adolescents: Results From the National Comorbidity Survey Adolescent Supplement, *Journal of the American Academy of Child & Adolescent Psychiatry* (2017), doi: 10.1016/j.jaac.2017.06.006.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Trauma Exposure and Externalizing Disorders in Adolescents: Results From the National Comorbidity Survey Adolescent Supplement**

RH: Trauma and Externalizing in Adolescents

Hannah Carliner, ScD, MPH; Dahsan Gary, MPH; Katie A. McLaughlin, PhD; Katherine M. Keyes, PhD

Supplemental material cited in this article is available online.

Accepted June 28, 2017

Drs. Carliner and Keyes and Mr. Gary are with Columbia University, New York. Dr. Carliner is also with New York State Psychiatric Institute, New York. Dr. McLaughlin is with University of Washington, Seattle.

Supported in part by National Institute of Health grants T32DA031099 (Carliner, PI: Hasin), AA021511 (Keyes), MH106482 (McLaughlin), MH103291 (McLaughlin), and an Early Career Research Fellowship from the Jacobs Foundation (McLaughlin). The funders had no role in the design and conduct of the study; collection, management, analysis, and interpretation of the data; preparation, review, or approval of the manuscript; or decision to submit the manuscript for publication.

Dr. Keyes served as the statistical expert for this research.

Disclosure: Drs. Carliner, McLaughlin, Keyes, and Mr. Gary report no biomedical financial interests or potential conflicts of interest.

Correspondence to Hannah Carliner, ScD, MPH, Department of Psychiatry, Columbia University Medical Center, 1051 Riverside Drive, Unit 43, New York, NY 10032; email: hcarliner@mail.harvard.edu.
