This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

A Randomized Controlled Trial of a School-Implemented School–Home Intervention for
Attention-Deficit/Hyperactivity Disorder Symptoms and Impairment

RH: School-Home Treatment for ADHD

Linda J. Pfiffner, PhD, Mary Rooney, PhD, Lauren Haack, PhD, Miguel Villodas, PhD, Kevin
Delucchi, PhD, and Keith McBurnett, PhD

Clinical guidance is available at the end of this article.

Accepted June 24, 2016

Drs. Pfiffner, Rooney, Haack, Delucchi, and McBurnett are with University of California, San
Francisco. Dr. Villodas is with Florida International University, Miami.

This study was supported by a grant from the Institute of Education Sciences, US Department
of Education to the University of California, San Francisco: award number R324A120358 (PI:
Linda Pfiffner, PhD).

The opinions expressed are those of the authors and do not represent views of the Institute of
Education Sciences or the US Department of Education.

Drs. Villodas and Delucchi served as the statistical experts for this research.

The authors thank Nina Kaiser, PhD, Allyson Beaulieu, MPH, Melissa Plageman, BA, Sophia
Baptista, BA, Matthew Capriotti, PhD, and Yuan Jiang, PhD, of the University of California, San
Francisco, for their contributions to the execution of this study, and Natasha Kunin, LCSW,
Maryellen Mullin, MFT, Andi Hilinski, LCSW, participating school mental health providers,
administrators, teachers, and families in the San Francisco Unified School District (SFUSD) for
their contributions and collaboration.

Disclosure: Dr. McBurnett has received research support from Alcobra, Sunovion
Pharmaceuticals, Inc., and Shire PLC. Drs. Pfiffner, Rooney, Haack, Villodas, and Delucchi
report no biomedical financial interests or potential conflicts of interest.
