Mental Health and Self-Worth in Socially-Transitioned Transgender Youth

RH: Mental Health in Transgender Youth

Lily Durwood, BA; Katie A. McLaughlin, PhD; Kristina R. Olson, PhD

This article is discussed in an editorial by Mr. Jack Turban on page xx.

Supplemental material cited in this article is available online.

Accepted November 22, 2016

Ms. Durwood and Drs. McLaughlin and Olson are with the University of Washington, Seattle.

This current work was supported by grants from the Royalty Research Fund and the Arcus Foundation to K.R.O. These funding sources played no role in study design, data collection, analysis or interpretation, nor has any funding source seen the paper prior to submission for publication.

This work was presented at the World Professional Association for Transgender Health, Amsterdam, Netherlands, June 19, 2016.

The authors thank Madeleine DeMeules, BA, of the University of Washington, and Gabrielle Lindquist, BA, of the University of Washington for data collection assistance, as well as Gabriella Ji, undergraduate, of the University of Washington for data entry assistance.

Disclosure: Dr. McLaughlin has received paid honoraria from University of Illinois at Chicago, the Brain and Behavior Foundation, the APA Distinguished Scientific Award for Early Career Contribution to Psychology, the Society for a Science of Clinical Psychology – Susan Nolan-Hoeksma Early Career Award, and University of Colorado Denver. She has received grant funding from the National Institutes of Health, the Royalty Research Fund, the International Mental Health Research Organization (IMHRO), the Jacobs Foundation, and the Brain and Behavior Research Foundation. Dr. Olson has received or will soon be receiving paid honoraria from Pennsylvania State University-Abington, Arizona State University, University of Washington Medical School, University of California San Diego, and the University of
