

## Accepted Manuscript

Contingency management: New directions and remaining challenges for an evidence-based intervention

Carla J. Rash PhD, Maxine Stitzer PhD, Jeremiah Weinstock PhD

PII: S0740-5472(16)30339-7  
DOI: doi: [10.1016/j.jsat.2016.09.008](https://doi.org/10.1016/j.jsat.2016.09.008)  
Reference: SAT 7489

To appear in: *Journal of Substance Abuse Treatment*

Received date: 14 September 2016  
Accepted date: 23 September 2016

Please cite this article as: Rash, C.J., Stitzer, M. & Weinstock, J., Contingency management: New directions and remaining challenges for an evidence-based intervention, *Journal of Substance Abuse Treatment* (2016), doi: [10.1016/j.jsat.2016.09.008](https://doi.org/10.1016/j.jsat.2016.09.008)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Contingency management: New directions and remaining challenges for an  
evidence-based intervention**
