Accepted date: 29-9-2016

Please cite this article as: Gavrielidou, Maria., & Odell-Miller, Helen., "An Investigation of Pivotal Moments in Music Therapy in Adult Mental Health". *The Arts in Psychotherapy* <http://dx.doi.org/10.1016/j.aip.2016.09.006>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

### Highlights

- Pivotal moments describe a turning point, significant-nodal for the person involved.
- Pivotal moments appear to transform aspects of a person's life in a meaningful way.
- The role of the therapist and his qualities support the emergence of pivotal moments.
- Containment and countertransference have an important role during pivotal moments.
