The user experience of mobile music making: An ethnographic exploration of music production and performance in practice

Sean McGrath, Steve Love

PII: S0747-5632(17)30127-9

DOI: [10.1016/j.chb.2017.02.046](https://doi.org/10.1016/j.chb.2017.02.046)

Reference: CHB 4803

To appear in: *Computers in Human Behavior*

Received Date: 13 July 2015

Revised Date: 7 February 2017

Accepted Date: 17 February 2017

Please cite this article as: McGrath S. & Love S., The user experience of mobile music making: An ethnographic exploration of music production and performance in practice, *Computers in Human Behavior* (2017), doi: 10.1016/j.chb.2017.02.046.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Computers in Human Behavior
