Making cognitive decision support work: Facilitating adoption, knowledge and behavior change through QI

Charlene Weir, Cherie Brunker, Jorie Butler, Mark A. Supiano

PII: S1532-0464(16)30057-0
DOI: <http://dx.doi.org/10.1016/j.jbi.2016.07.003>
Reference: YJBIN 2588

To appear in: *Journal of Biomedical Informatics*

Received Date: 1 March 2016
Revised Date: 1 June 2016
Accepted Date: 4 July 2016

Please cite this article as: Weir, C., Brunker, C., Butler, J., Supiano, M.A., Making cognitive decision support work: Facilitating adoption, knowledge and behavior change through QI, *Journal of Biomedical Informatics* (2016), doi: <http://dx.doi.org/10.1016/j.jbi.2016.07.003>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Making cognitive decision support work: Facilitating adoption, knowledge and behavior change through QI
