

Accepted Manuscript

Title: Ensemble-based release estimation for accidental river pollution with known source position

Authors: Xiaole Zhang, Meng Huang

PII: S0304-3894(17)30194-2

DOI: <http://dx.doi.org/doi:10.1016/j.jhazmat.2017.03.028>

Reference: HAZMAT 18444

To appear in: *Journal of Hazardous Materials*

Received date: 6-11-2016

Revised date: 10-3-2017

Accepted date: 11-3-2017

Please cite this article as: Xiaole Zhang, Meng Huang, Ensemble-based release estimation for accidental river pollution with known source position, *Journal of Hazardous Materials* <http://dx.doi.org/10.1016/j.jhazmat.2017.03.028>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Ensemble-based release estimation for accidental river pollution with known source position
