Title: Carbon black aggregates cause endothelial dysfunction by activating ROCK

Authors: Junyan Yan, Chia-Hsiang Lai, Shih-Chun Candice Lung, Wen-Cheng Wang, Chih-Ching Huang, Guan-Wen Chen, Guangli Suo, Cheng-Tai Choug, Chia-Hua Lin

PII: S0304-3894(17)30368-0
DOI: <http://dx.doi.org/doi:10.1016/j.jhazmat.2017.05.025>
Reference: HAZMAT 18584

To appear in: *Journal of Hazardous Materials*

Received date: 6-12-2016
Revised date: 18-4-2017
Accepted date: 13-5-2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Carbon black aggregates cause endothelial dysfunction by activating ROCK
