Accepted Manuscript

Title: Influence of exposed magnetic nanoparticles and their application in chemiluminescence immunoassay

Authors: Zhi Zhang, Yueping Guan, Tingting Xia, Jiao Du, Tao Li, Zongying Sun, Chen Guo

 Received date:
 29-10-2016

 Revised date:
 17-1-2017

 Accepted date:
 23-1-2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
