

## Accepted Manuscript

Title: Simultaneous adsorption of heavy metal ions and anions from aqueous solutions on chitosan – Investigated by spectrophotometry and SEM-EDX analysis

Author: Mandy Mende Dana Schwarz Christine Steinbach  
Regine Boldt Simona Schwarz

PII: S0927-7757(16)30671-9  
DOI: <http://dx.doi.org/doi:10.1016/j.colsurfa.2016.08.033>  
Reference: COLSUA 20919

To appear in: *Colloids and Surfaces A: Physicochem. Eng. Aspects*

Received date: 1-3-2016  
Revised date: 9-8-2016  
Accepted date: 20-8-2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Simultaneous Adsorption of Heavy Metal Ions and Anions from Aqueous Solutions on Chitosan – investigated by Spectrophotometry and SEM-EDX Analysis**
