Research on microscale skull grinding temperature field under different cooling conditions

Min Yang, Changhe Li, Yanbin Zhang, Yaogang Wang, Benkai Li, Dongzhou Jia, Yali Hou, Runze Li

PII: S1359-4311(17)31288-7
DOI: <http://dx.doi.org/10.1016/j.applthermaleng.2017.07.183>
Reference: ATE 10851

To appear in: *Applied Thermal Engineering*

Received Date: 25 February 2017
Revised Date: 20 July 2017
Accepted Date: 25 July 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Research on microscale skull grinding temperature field under different cooling conditions
