Flow of a fluid-solid mixture: Normal stress differences and the slip boundary condition

Wei-Tao Wu, Nadine Aubry, James F. Antaki, Mehrdad Massoudi

PII: S0020-7462(16)30310-9
DOI: <http://dx.doi.org/10.1016/j.ijnonlinmec.2017.01.004>
Reference: NLM2764

To appear in: *International Journal of Non-Linear Mechanics*

Received date: 10 November 2016
Revised date: 6 January 2017
Accepted date: 10 January 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
