

Author's Accepted Manuscript

Muscle Contributions to Frontal Plane Angular Momentum during Walking

Richard R. Neptune, Craig P. McGowan

PII: S0021-9290(16)30772-2
DOI: <http://dx.doi.org/10.1016/j.jbiomech.2016.07.016>
Reference: BM7806

To appear in: *Journal of Biomechanics*

Received date: 27 July 2015
Revised date: 14 July 2016
Accepted date: 15 July 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Research Paper

Muscle Contributions to Frontal Plane Angular Momentum during Walking

Revised Manuscript Submitted to:

Journal of Biomechanics

July 2016
