This paper is based on my dissertation completed at the Ohio State University. The paper won the American Accounting Association Financial Accounting and Reporting Section's Best Dissertation Award in 2010. I thank my committee chair, Anne Beatty, for her continuous support and guidance. I also thank my committee members, Anil Arya, Dick Dietrich, and Darren Roulstone, for their instruction. I am also grateful for helpful comments from Phil Davies, Michelle Hanlon Rick Johnston, Chuan Liao, Tony Meder, Lillian Mills, Paolo Petacchi, Devin Shanthikumar, Jayanthi Sunder, Joe Weber, Helen Zhang, and the workshop participants at the 2008 American Accounting Association annual meeting, the 2008 American Accounting Association Ohio regional meeting, Drexel University, Georgetown University, Georgia State University, University of Houston, Massachusetts Institute of Technology, University of Michigan, New York University, Northwestern University, the Ohio State University, University of Oregon, University of Pennsylvania, Purdue University, and University of Toronto. I thank Jefferson Duarte and Lance Young for providing estimates of AdjPIN and Brian Bushee, Dawn Matsumoto, and Gregory Miller for providing access to their conference call data. The paper was formerly circulated under the title "Regulation Fair Disclosure and Capital Structure."
