First draft: May 2012

This draft: October 2013

*The authors want to thank Riina Vesanen for excellent research assistance and colleagues at the ECB, particularly Carsten Detken, Jean-Paul Genot, Marco Gross, Philipp Hartmann, Urszula Kochanska, Markus Kolb, Bernd Schwaab, Joseph Vendrell as well as Kostas Tsatsaronis from the BIS, both for discussions and sharing data. Thanks also to participants at the ECB Financial Stability seminar on 16 May 2012 and the ECB Financial Stability conference: Methodological advances and policy issues on 14-15 June 2012 in Frankfurt am Main, Germany, particularly to Dilruba Karim, the third MAFIN conference on 19-21 September 2012 in Genoa, Italy, CEQURA Conference on Advances in Financial and Insurance Risk Management on 24-26 September 2012 in Munich, Germany, the second conference of the ESCB Macro-prudential Research Network on 30-31 October 2012 in Frankfurt am Main, Germany, particularly to Philip Davis, Federal Reserve Bank of Cleveland and the Office of Financial Research Financial Stability Conference on 30-31 May 2013 in Washington, D.C., United States, and the INFINITI Conference on International Finance - "The Financial Crisis, Integration and Contagion" on 10-11 June 2013 in SciencesPo Aix, Aix-en-Provence, France, and the International Conference C.R.E.D.I.T. 2013 on 26-27 September 2013 in Venice, Italy. All remaining errors are our own. Peter Sarlin gratefully acknowledges the financial support of the Academy of Finland (grant no. 127592). The views presented in the paper are those of the authors only and do not necessarily represent the views of the European Central Bank, the Eurosystem or the European Investment Bank.
