This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Political transition and bank performance:
How important was the Arab Spring?**

Saibal GHOSH¹

ACCEPTED MANUSCRIPT

1. Department of Economic and Policy Research, Reserve Bank of India, Central Office, Fort, Mumbai 400001. Mail: [saibalgosh @rbi.org.in]. A significant portion of the work was done when the author was working with the Qatar Central Bank in Doha, Qatar. I would like to thank, without implicating, an anonymous referee for the painstaking and incisive comments on an earlier draft which greatly improved the exposition. The views expressed and the approach pursued in the paper reflects the personal opinion of the author.
