Revised, January 2017

¹Financial support from the Social Science and Humanities Research Council and the Fonds Québécois pour la Recherche sur la Société et la Culture is gratefully acknowledged. We thank two anonymous referees and, especially, the associate editor Daniel Kaffine, for their help in improving the paper. We also benefited from comments from Gérard Gaudet, Charles Séguin, Max Blouin, Pierre-Yves Yanni and participants at the Montreal Workshop on Natural Resources and Environmental Economics, the Canadian Economics Association conference, the Société Canadienne de Science Economique conference, the Canadian Resource and Environmental Economists (CREE) Study Group and the 2015 Journées de la FAERE. The usual disclaimers hold. Please address all correspondence to Alexandre Croutzet, Département des sciences économiques, Université du Québec à Montréal, C.P. 8888, Succursale Centre-Ville, Montréal, Québec, Canada H3C 3P8. E-mail: croutzet.alexandre@uqam.ca.
