Please cite this article as: Mahdi Ebrahimi Kahou, Alfred Lehar, Macroprudential Policy: A Review, *Journal of Financial Stability* (2016), <http://dx.doi.org/10.1016/j.jfs.2016.12.005>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

1 Highlights

- Provide a summary of the literature on macroprudential policy for a non-technical audience
- Contrast macroprudential and microprudential policy
- Discuss measures of systemic risk with an emphasis on network models
- Present macroprudential policy measures to address the time series as well as the cross sectional dimension and the financial infrastructure
