To appear in: *Research in Social Stratification and Mobility*

Received date: 15-7-2015

Revised date: 30-12-2015

Accepted date: 30-3-2016

Please cite this article as: McDonald, Steve., & Benton, Richard A., The Structure of Internal Job Mobility and Organizational Wage Inequality. *Research in Social Stratification and Mobility* <http://dx.doi.org/10.1016/j.rssm.2016.03.005>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

The Structure of Internal Job Mobility and Organizational Wage Inequality*

Steve McDonald, *North Carolina State University*

Richard A. Benton, *University of Illinois at Urbana-Champaign*

*We are grateful to Don Tomaskovic-Devey for providing access to the data and for offering extensive counsel and support. We also received detailed feedback from Martin Hällsten and Ilan Talmud. Early drafts of the paper were presented at the Duke Network Analysis Center and the 2015 conference on Organizational Stratification: Processes, Mechanisms, and Institutional Contexts; the paper benefited greatly from the comments and suggestions of the participants.
