This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Does central bank governors term in office matter for macroprudential policies? Evidence from MENA banks

Saibal GHOSH¹

¹ Centre for Advanced Financial Research and Learning, Reserve Bank of India, Fort, Mumbai 400 001. INDIA. I would like to sincerely thank, without implicating, Sundeep Juneja and in particular, an anonymous referee for the incisive comments on an earlier draft, which greatly improved the analysis. Needless to state, the views expressed and the approach pursued in the paper reflect the personal opinion of the author. Mail: [saibalghosh@ rbi.org.in]
