

Accepted Manuscript

Poly(methyl methacrylate) Organoclay Composites; Interactions of Organic Modifier with the Polymer Effecting Thermal Degradation Behavior

Esra Ozdemir, Jale Hacaloglu

PII: S0014-3057(17)31217-X
DOI: <http://dx.doi.org/10.1016/j.eurpolymj.2017.08.041>
Reference: EPJ 8034

To appear in: *European Polymer Journal*

Received Date: 10 July 2017
Revised Date: 15 August 2017
Accepted Date: 22 August 2017

Please cite this article as: Ozdemir, E., Hacaloglu, J., Poly(methyl methacrylate) Organoclay Composites; Interactions of Organic Modifier with the Polymer Effecting Thermal Degradation Behavior, *European Polymer Journal* (2017), doi: <http://dx.doi.org/10.1016/j.eurpolymj.2017.08.041>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
