Accepted Manuscript

In situ exfoliation of graphite oxide nanosheets in polymer nanocomposites using miniemulsion polymerization

Hussein M. Etmimi, Peter E. Mallon

PII: S0032-3861(13)00843-4

DOI: 10.1016/j.polymer.2013.08.060

Reference: JPOL 16462

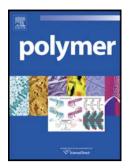

To appear in: Polymer

Received Date: 9 July 2013

Revised Date: 21 August 2013 Accepted Date: 25 August 2013

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
