The Editor

Applied Surface Science

Manuscript No.: APSUSC-D-15-07634

Dear Editor

We have revised the paper No.: APSUSC-D-15-07634, entitled “Nanostructured nitrogen-doped mesoporous carbon derived from polyacrylonitrile for advanced lithium sulfur batteries” to be considered for publication in Applied Surface Science. The manuscript has been modified according to the reviewers’ comments and the revised sections are highlighted in yellow. The comments from the reviewers have been replied point-by-point in the file named “Response to the reviewers”.

We hope the revised manuscript is acceptable for publication in Applied Surface Science.

Sincerely yours,

Prof. Jou-Hyeon Ahn
