Title: Effect of Co crystallinity on Co/CNT catalytic activity in CO/CO₂ hydrogenation and CO disproportionation

Author: Sergei A. Chernyak Evgeniya V. Suslova Alexander V. Egorov Konstantin I. Maslakov Serguei V. Savilov Valery V. Lunin

PII: S0169-4332(16)30488-3
DOI: <http://dx.doi.org/doi:10.1016/j.apsusc.2016.03.052>
Reference: APSUSC 32818

To appear in: *APSUSC*

Received date: 16-12-2015
Revised date: 12-2-2016
Accepted date: 5-3-2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Effect of Co crystallinity on Co/CNT catalytic activity in CO/CO₂ hydrogenation and CO disproportionation
