

Author's Accepted Manuscript

Green–white electroluminescence and green photoluminescence of zinc complexes

Mohammad Janghouri, Ezeddin Mohajerani,
Mostafa M. Amini, Ezzatollah Najafi

www.elsevier.com/locate/jlumin

PII: S0022-2313(14)00305-6
DOI: <http://dx.doi.org/10.1016/j.jlumin.2014.05.022>
Reference: LUMIN12707

To appear in: *Journal of Luminescence*

Received date: 11 January 2014
Revised date: 14 May 2014
Accepted date: 20 May 2014

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
